Working Groups, Committees & Board Meetings

Lunches, Dinners, Festival, Party, Coctail.

Tours, Recreationals, Golf

Ceremonies, Forums, General Assembly

Educational & Academic

[c] Closed for public

[t] Ticketed

* We are carefully preparing an exciting world class professional program planned to focus on our theme. Our Congress will host a number of internationally renowned experts from the real estate and Academic industries and will be filled with latest information and technology as well as the influence of Civilisation and Culture to Real Estate. We will also present the new concept of green intelligence which seems to be the next big thing in Real Estate. Please check our website often for new information.
